CAREERS - pages 12 - 14

From the Principal's Office

Dear Parents, Carers, Friends and Students of Marian College,

❖ *We encourage excellence and perseverance in learning,*

❖ *We strive for continuous improvement*

"As each one has received a special gift, employ it in serving one another." - 1 Peter 4:10

As Year 12 Students complete exams and contemplate their future beyond school, we are reminded of the special gifts and talents each student has contributed to our community over the years: their sense of humour, their bright welcoming smile for others, their generous heart, their sense of justice, and their compassion. Looking back over the year, many of the pure gems of 2022 were the quiet moments behind the scenes when our students did extraordinary things for others. Thank you to all students and families who have journeyed with us over the last six years together.

In our busy lives, we can easily forget that we are surrounded by gifts from God.

Remember to...

Pause on purpose.

Just for a moment, be still.

Notice the astounding beauty that surrounds us.

Cherish it with gratitude, for all of creation is a gift from above that is beautifully written by the hand of God.

Exciting News!

We have just received confirmation that we have been successful in receiving a Capital Grant of \$2 million dollars towards our new Marian College Resource Centre/Stem Centre for Excellence. At

the moment we are in discussions with our architects and Kildare Ministries as we develop more detailed plans before going to tender early next year. It is very exciting news for the College. The ground floor of the new building will house a Resource Centre - library, IT and Careers central to the College, while upstairs will provide learning areas to accommodate a more contemporary design with break-out spaces to support the diverse needs of students at all levels. This new building will provide further opportunity to restructure additional outdoor learning spaces and shelter for students.

Year 11 Leadership Development

The nomination and voting for the Year 12 Student Leadership roles for 2023 are now closed. I thank the high number of students who have applied for a position to lead the College. It is always a pleasure to listen to their ideas and vision for the future. I wish each student well as they complete the interview process. I am sure they will do us proud and represent the students and the college well into the future.

Whole School Early Start

On the 21st November, all students will begin Early Start. Year 7 students will begin Year 8 work, Year 8 begin Year 9 and so forth. With the introduction of the new five-period-a-day timetable, it is a perfect opportunity to address any issues that may arise with timing, classes or

individual students. The intention with this new design schedule is to give higher priority to literacy and numeracy. At the same time, it further increases allocated time for VCE classes.

Staffing for 2023.

Sadly, Melissa and Hannah Terry will leave us at the end of 2022 as the family moves to Queensland. Melissa has been our Head of Humanities for this year, while Hannah has supported us part-time as a Learning Support Officer. Both have been a great support to students and staff alike. We wish them well in their new adventure.

Mairhi Aitken has resigned effective from 28th October 2022. Mairhi has been on leave for the last six months. She has been a very generous member of staff working as a Learning Support Officer across the College, and more specifically, in the Art Department. Mairhi was an excellent support to Teresa Tonks in her role with Production and Wakakirri, and in Ceramics with John Eagle.

Ros Vanina will resign from Canteen Assistant at the end of 2023. Ros has been an excellent support to Bronwyn over her time with us. We wish her all the best in retirement.

This week Lucy Edwards tendered her resignation to begin at the end of 2022. Lucy has performed brilliantly as our **Head of Pathways and Organisation** for the last six years. She will be greatly missed by the Leadership team, staff and students. We are in the process of advertising for a new Leadership member. We wish her well and thank her for her effort and support over the six years.

From 2023, Leonie McGuckian (Business Manager) will join the Leadership Team. Leonie brings her own talents and experience to leading and will be an integral part of the team.

We have appointed Alex Abela to the new leadership role of **Head of Staff Development**. Alex comes with

extensive experience in curriculum development and teaching in the secondary sector. She will be a welcome addition to a very busy Leadership Team.

I am just finalizing the final couple of teaching and Learning Support Officer placements.

Have a wonderful week,

Carmel Barker

BARRON

NEWS

FROM YOUR HOUSE LEADER

While our Year 12 students are finishing off their exams, the other year levels are into their final two weeks of normal classes before beginning the Early Start program. During Early Start, students will commence their 2023 Term 1 subjects, as well as the new 2023 five period per day timetable. Moving from our current six period per day timetable will be a bit of an adjustment, as break times are different, and the daily start and end times have changed by a few minutes.

Most importantly, this is a time for students to get organised, and to look ahead with maturity, ready to move up a year level, reflecting on behaviours and academic goals accordingly. Students can refocus and move into their new subjects ready to take on new challenges and explore new subject areas. The expectations remain for students right through to the end of the term: the classroom is for learning, correct uniform is worn, and we behave respectfully at all times.

A reminder that students must wear their hats in the yard in Term 4, as we are a SunSmart school.

I look forward to taking a group of Year 10 Outdoor Education students out on camp next week, after Covid prevented this camp from running for the last two years. Students will journey through the Grampians/Gariwerd, fostering teamwork and leadership skills, and taking on challenges that may push their boundaries, but are within their capabilities.

Year 12 Graduation is also next week, Nov 17th. There is so much to celebrate with this cohort as we send them on their way into work, further study, and life beyond the walls of Marian College. Well done to the graduating class of 2022.

Erica McConachy

YEAR 7 2023 PARENT ACCESS MODULE

If you have a student enrolled for Year 7 2023 please access the Parent Access Module to complete your child's Medical Profile. As Year 7 Camp is early in Term 1 please complete by the end of November, 2022.

Each child's data can be accessed by clicking on their student photo. Your child is linked to the profile but is listed as 'inactive'.

To view a pre-enrolled student tick the box as shown below:-

The screenshot displays the 'Students' section of the Parent Access Module. At the top, there is a 'Students' header with a blue underline. Below it, a checkbox labeled 'Show Inactive Students' is checked. A student profile card is shown with a placeholder photo, the text 'Sample Year 7', 'Student ID: 0000', and 'INACTIVE' in red. Below the profile card is a blue button labeled 'Personal Details'. A list of menu items follows: 'Student Timetable', 'Attendance', 'Assessment Reports', 'Lesson Plans', 'Learning Tasks', 'Email Staff', 'Medical Profile', 'School Activities', and 'NAPLAN'. An arrow points from the 'Medical Profile' menu item to the text 'Select Medical Profile from menu and complete information'.

Kelly House

It was amiss of me not to acknowledge the families who will be finishing their relationship with Marian College at the end of 2022. I would like to thank the following families for entrusting us with your child/children over many years:-

Erica Evans (Scott) - parents Kelly and Anthony.

Lucy Harwood (Charlotte and Jeremy) - parents Kate and Troy.

Lily Pitcher (Alayna) - parents Paul and Jodi.

Mem McSparron (Padan and Sabelle) - parents Mark and Julie.

Ruby Smith (Matilda) - parents Tamara and Andrew.

Renee Goodinge (Chloe and Hannah) - parents Suzanne and Darryl.

You have been supportive parents and I have enjoyed working with you. As a House Leader I'm privileged to be involved with families who are good role models for their children. You should all be proud of your efforts.

Regards, Donna Spalding

Interested in taking a Gap Year?

What is a gap year?

Traditionally a gap year was taken by Year 12 students who deferred their university studies for 12-months. Now gap years are taken by students who would like to delay their TAFE or university studies or apprenticeships.

What are the benefits of taking a gap year?

There are many benefits for young people – the following are several:

Financial: save money to fund future study/training.

Career development: complete a traineeship, TAFE course, volunteering etc., before starting university studies. This may improve your graduate employment prospects and give you practical employment skills.

Take a break: if you're feeling burnt out from study, taking a break may be beneficial for your mental wellbeing.

Give you time to firm up your future goals: if you're feeling unsure about your study or training plans, a gap year may give you time to explore your goals, attend open days, participate in work or training related to your interests, and give you more time to make sure the course or training you want to do in the future is right for you.

Gap year programs

Year13 have put together a list of companies that offer working holidays, travel, and volunteer gap year programs, <https://year13.com.au/explore/travel>

YEAR 10 - 12 STUDENTS

Note: the following information is for Year 12 students and Year 10 and 11 students who have family and school support to exit from school.

TAFE applicants

Applications are open for most TAFE institutes and private providers. The following is important to know:

Competitive courses may have early closing dates

You may need to complete additional tasks as part of your application such as portfolios, literacy and numeracy tests, information sessions, applying for a Working With Children Check, etc.

For examples of TAFE courses and why TAFE is a fantastic post school pathway, download a resource via <https://bit.ly/3jZxBd6>

Apprenticeship/traineeship applicants

Now is a great time to be searching for your dream apprenticeship/traineeship!

There are many positions available for enthusiastic young people who are keen to work hard, earn while you learn, and obtain a portable qualification.

It's important to sign up to local Apprenticeship Network Providers. They will be able to assist you with your search. You can find their contact details via www.australianapprenticeships.gov.au/apprentices

Employment

With the summer holidays coming up, now is the perfect time to start applying for jobs. There are several methods for finding employment. The following explores three.

1. Cold Calling

Did you know that many jobs aren't advertised? These employers rely on word of mouth and /or contact people who drop in resumes to their business. This is called 'cold calling'. What does this mean for you? It means you have to be:

Proactive

Get your resume and cover letter together, use/buy/borrow a smart outfit and hit the streets. Employers love young people who demonstrate initiative and independence.

Organised

Ask someone to go over your resume to look for spelling and grammatical errors. Ensure it is formatted correctly and no more than 2-pages. Be careful of using online resume builders as often the formatting looks poor. Youth Central has excellent sample resumes, www.youthcentral.vic.gov.au

Engaged

Let everyone know you are looking for casual employment. Word of mouth is a powerful tool to finding a job. Contact the referees on your resume to let them know they may receive calls from employers.

2. Register with businesses

Some businesses allow prospective employees to register with their organisation and apply for jobs advertised on their website. Access a list of casual job links to get started via <https://slmcareerresources.edublogs.org/>

3. Search for advertised jobs

Apart from the links above, the following websites are great to bookmark and check regularly

www.seek.com.au
<https://au.jora.com>
<https://au.indeed.com/>

Also check the classified section in your local newspaper.
