From the Principal's Office

Dear Parents, Carers, Friends and Students of Marian College,

❖ *We encourage excellence and perseverance in learning,*

❖ *We strive for continuous improvement*

Lord, be with us today.

Be the patience when we are frustrated.

Be the endurance when we are tired.

Be the wisdom when we are uncertain.

Be the inspiration when we are out of ideas.

Be the peacemaker when we feel hurt.

Be the comforter when we feel overwhelmed.

Be the energy when we are weary.

Be the guide when we are confused.

Be the forgiver when we get it wrong.

Be with us Lord, today.

Starting a new school can feel overwhelming at first. There are so many new routines to learn, new people to meet, and lessons to learn. This always takes patience for the new person and often for those who are supporting them. We welcome back to 2023 so many wonderful students who begin a new

and different year ahead. In our Year of Courage, the prayer today is fitting as we begin to build a strong community together - Lord, be with us today and each day with our new students and with our new experiences and we journey along the exciting path ahead.

Year 12 Retreat and Year 7 Camp at Lorne

I was fortunate to attend both the Year 12 Retreat at Cave Hill Creek and the Year 7 Camp down at Lorne. Congratulations to all students involved in both groups for the way in which each student has engaged in the activities and with staff. Their behaviour has been excellent and a credit to their parents and the College. A huge thank you to the staff who dedicated their time, support, and patience to ensure both experiences were positive and beneficial to building a stronger community. This has been a very positive start to the new year.

Key Priorities for 2023

The key priorities for 2023 remain focused on the **College Priorities for 2022**

1. To improve literacy levels across the College
2. To strengthen and extend intervention processes to address student performance gaps and opportunity gaps.

3. To finalise the College Master Plan (2023) to meet the needs of our unique community that explores existing and future learning spaces for flexibility, functionality, sustainability and cost efficiency for improvement in student performance growth. Begin Stage 1 with the new STEM/Resource building.
4. Explore the themes of Justice and Peace in our community, world through the lens of courage.

Year 7 meet TA and Information Evening

This week we invite all our Year 7 parents to join us on Tuesday the 14th at 6.30 pm to meet the Teacher Advisor and attend the Information session in the Brigidine Centre. This is an important early introduction as we begin the next six year journey together.

Opening Mass for the School Year

Thursday we officially open the school year with a mass, and presentation and blessing of the new student leaders. Mass will begin at 10.00 am in the Sister John Spurr Multipurpose Centre (gymnasium) on the corner of King and Moore Street. The presentation of the Dux for 2022 (Ivanna Donnan) and the College Captains, Vice Captains, Hub Leaders and House leaders will follow. Parents of all our leaders are most welcome to attend. Other parents who would like to attend are asked to register your name at the front office.

Swimming Carnival Friday

The swimming carnival is scheduled for this Friday 17th February at the Ararat outdoor pool. Hats, sunscreen, your team colours, food and water are required. The shop will be open but often service for so many in attendance in slow. Students are not permitted to leave the pool during the day without prior permission in writing.

Parents and grandparents and families are most welcome to join us.

The Pink Cricket Test - Friday 24th February

Our Student Leadership team has planned a Pink Cricket Test between students and staff at lunchtime on the 24th February. This is a fundraising event for breast cancer in memory of much-loved staff member and parent, Ms Teresa Tonks, who died twelve months ago. All students are encouraged to bring along a gold coin to wear something pink, and join us for this very worthy cause. Good luck to the teacher team!

Phone Usage

Phones at school are not permitted in the classroom or during any other learning time. We have not banned them at lunchtime or recess at this stage, as it is important to teach responsible use of any device. Unfortunately, social media and outside school activities often encroach on school life and relationships. While mistakes and poor judgment can occur, a repeated breach of our standard and our values, in place to protect all students, will result in further action.

Students need to understand that certain behaviours and consequences are outside our control. They may be a police matter rather than a school matter. I would ask for all parents to please discuss responsible phone usage, what to do if harassment or bullying is occurring, and actions to report or inform the right people if someone is being targeted, abused or belittled with your child. We will do our best to monitor behaviours at school and address any issue as needed. It takes courage to stand up for what is right and protect other students.

Take care,
Carmel Barker
Principal

IN MY WORDS *with Marley Bourizk*

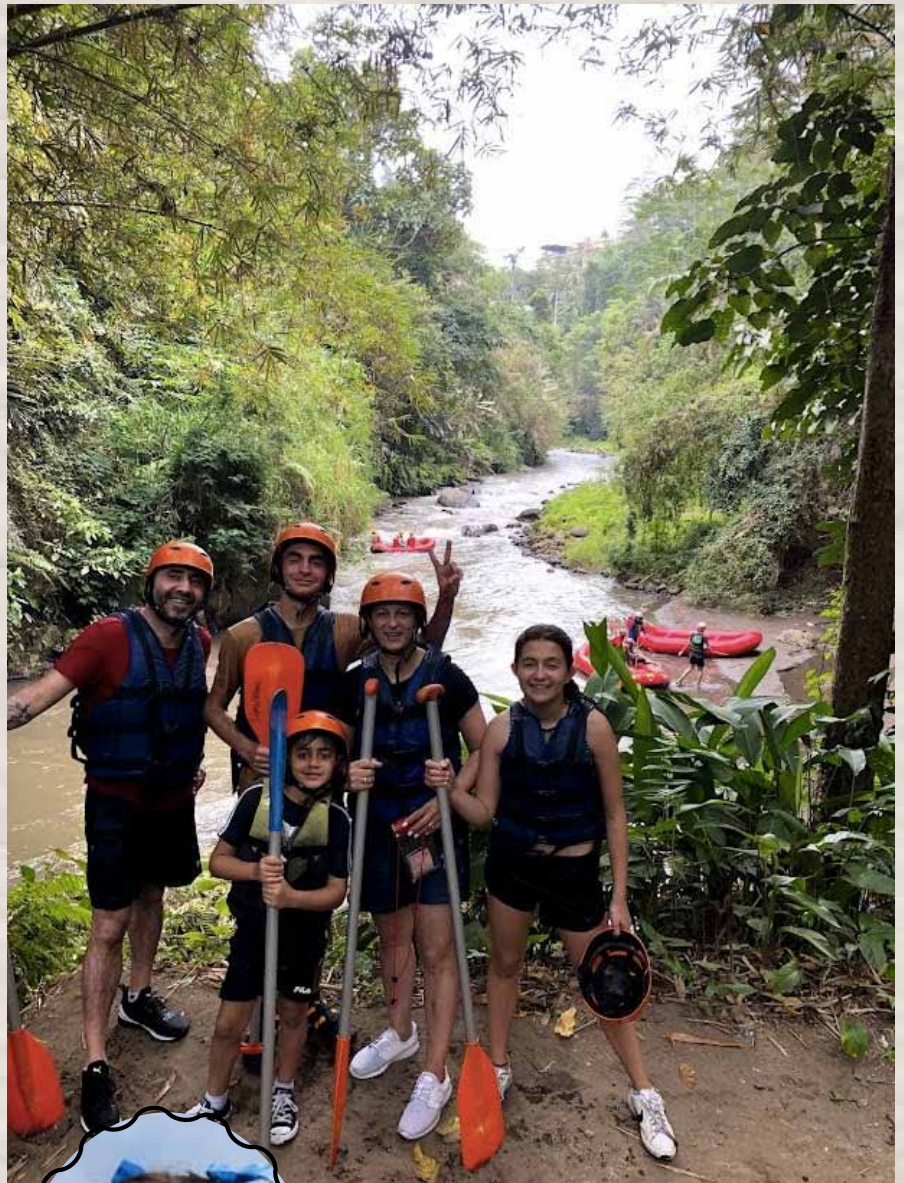

Marian School Captain

On a very hot January 4th of 2006, I was born to my beautiful parents Cozette and Badui Bourizk. I also have two brothers, Hendrix 19, and Jethro who is 10. It's always been interesting sharing names with musical legends, yet none of us can play a single instrument. Over the years I have acquired the nickname "favourite daughter", which feels less special when you are also the only daughter but anyway...

I feel very lucky to land in the home I did. Although it gets very loud at times, being surrounded by Middle Eastern culture growing up has shaped many of the things I love. I have been blessed to travel to where my parents grew up, Lebanon and Syria a couple of times now. Here I visited some of the most beautiful places I have ever seen, but also learnt the importance of family and identity. I cannot wait for my next trip back.

In my family, the kitchen is truly the heart of the home. Learning traditional recipes from my Mum and two Teta's, (grandma's) is one of my favourite things in the world. Whether it's eyeballing every measurement or picking leaves from the grape vine, I will always keep these memories close to my heart, and hope one day I can pass on the knowledge.

Living in Ararat my whole life, I began kindergarten at Saint Andrew's. Although I don't remember much I know I loved Dora the Explorer more than life itself. I also met many of the wonderful people I am still friends with today. After some exploration, I eventually found a love for dancing which slowly shifted into a passion for netball. I've been playing for our very own Ararat Rats for a few years now and have loved the memories formed along the way. In my family you can either barrack for Carlton or,

you might be disowned by dad... Watching them play has truly altered my brain chemistry and not for the best.

I then started primary school at Saint Mary's just across the road from here. One of my favourite memories is hiding in the library with friends, (you know who you are) almost every day and scaring the life out of one of our very favourite teachers, it never got old. Alongside all the fun I found a true love of learning. But hold on tight because then, it was time for high school.

I have certainly been blessed with the best TA in the school, Kelly 5 you always make my mornings that little bit better. A big thank you Mr. Naus for all you've done, you have always encouraged me and others in our TA to try our best and helped out whenever I needed to make a big decision at school. To my teachers, thank you for getting me to where I am today.

I remember being in Year 7 and seeing the year "18" on the back of the Year 12's jumpers, trying to figure out what would be the number on the back of mine. Now that time has come, with a big "23" on my back, I realise time went quicker than I thought. So enjoy the ride as much as you can.

It's hard to sit here and write down my aspirations for the future when I truly have no idea. The world is full of so many interesting things it's hard to choose one and set your mind to it. For now, I am hoping to enjoy the year, work hard and hopefully my curiosity will take me to the right place. However, I do hope I am able to make somewhat of a difference in whatever it is I may do, and bring upon joy to those around me.

I would like to thank everyone at Marian for the opportunity to lead our school alongside Jayde and a great group of student leaders. I am really looking forward to the year ahead and cannot wait to get started. To my cohort, each of you are so deserving of happiness and will achieve amazing things.

To my parents, you have made me the person I am today. I admire all your hard work, resilience and fascinating life stories. Thank you for teaching me what it means to be a good person, I love you very much.

Thank you, Marley

WELCOME NEW STAFF

Name: Ms Debra Glasson

Teaching Domains:

RE and Humanities

My story so far...

I have been teaching for several years. My most recent position was with Damascus College in Mt Clear. I also taught RE and Humanities at Damascus. I have taught students from Prep to Year 11 across Victoria and NSW.

I do enjoy traveling and then sharing those experiences with students in my classes.

What I love about teaching is:

Sharing my knowledge and experiences with students. I love the joy and shared success of leading a class.

I love watching the growth of young students as they progress through their secondary education.

When I was at school I was:

Very talkative and often sitting beside teachers at assembly and Mass.

I am always being asked:

Is this what you mean? Or am I doing the right thing.

It's not really fashionable but I love:

Listening to soft rock, folk songs from the 60's. I also enjoy visiting old Churches in Australia and overseas.

My friends say that I:

I am generous and supportive. They also like my quick thinking in crisis times.

WELCOME NEW STAFF

Name: Jordyn Mason

Teaching Domains:

Learning Support and Art

My story so far...

After graduating Marian College in 2010, I went on to study a Bachelor of Fine Arts at RMIT University in Melbourne, majoring in Ceramics. After completion I went on to move to Ballarat, and have lived there for the past 8 years. Recently I have just had a baby, and have really enjoyed welcoming him into the world. I have now returned to Marian College as an Art Assistant and LSO and am excited to get back to my artistic roots and meet all the students.

What I love about teaching is:

Seeing how the students adapt to new challenges, and overcome obstacles.

When I was at school I was:

A bit of a nerd!

I am always being asked:

About my baby.

It's not really fashionable but I love:

Skinny jeans and board games.

My friends say that I:

Artistic and organized.

YEAR 7 MEET TA AND PARENT IPAD INFORMATION EVENING

TUESDAY 14th FEBRUARY 6.30 PM

Parents of new students are invited to attend an Information Evening to be held on Tuesday 14th February at 6.30pm in the Brigidine Centre. The evening is an important event providing new parents the opportunity to discuss:-

- ◇ Responsibilities in relation to the school provided device; and
- ◇ Accessing the Parent Access Module.

You will meet your child's TA teacher, who will demonstrate how to access the Parent Access Module – an informative online portal that you use to access vital information on your child's progress and assessment.

This evening is a vital initial step in opening up clear communication lines between you and your child's TA teacher, remembering that the TA teacher is the person you need to initially contact with any concerns you have in relation to your child.

The evening is for parents only. Supper will be provided. It is anticipated the evening will conclude by 8.00pm. We look forward to welcoming you.

SWIMMING CARNIVAL

BARRON CLANCY KELLY SYNNOTT

The Marian College Swimming Carnival is approaching. All students have the opportunity to choose events to enter. The aim of the carnival is for everyone to participate and enjoy themselves, and get into the spirit of their team. The keener swimmers also have the opportunity to progress to compete in the Black Ranges Swimming Championships.

- What: Marian College Inter-House Swimming Carnival
- Date: Friday 17th February 2023
- Venue: Ararat Outdoor Pool
- Time: Students to meet at the pool at 8.50am.
Dismissal 3.15 pm
- Clothing: Dress in house colours or PE uniform.
- Food: BYO lunch and drinks.
Food/drinks available for purchase from the Gardens Cafe.
- Buses: Arrangements have been made with the Stawell and Ararat bus companies to drop off and pick up students directly to and from the Pool.
- Must bring: Hat, sunscreen, lunch, drink, suitable swimwear, towel, warm clothes to wear between swims, all medications required including EpiPens, Asthma inhalers etc.

This is a compulsory school day.

**PHOTO DAY IS
COMING**

**Wednesday
22nd February 2023**

**MSP Photography will be visiting our school on
the above day.**

- ❑ Read all the relevant instructions carefully before making your package choice.
- ❑ Order online www.msp.com.au or by placing cash inside the envelope. Please enclose correct amount as no change will be given.
- ❑ Discounted orders close 7 DAYS after photo day, please order early to avoid a late fee.
- ❑ Sibling photo's can be ordered online, or spare envelopes are available at the school office on request.

**LIFE IS
EASIER
WITH MSP**

**Please call MSP
on 5333 5577**
if you have any questions.

**ALL STUDENTS MUST WEAR THEIR CORRECT
SCHOOL UNIFORM ON PHOTO DAY**

**NO SPORTS UNIFORM TO BE WORN FOR
PHOTOGRAPHS**

Year 12 students should wear their Year 12 Rugby Jumper

**Year 7 - 11 students should wear summer school uniform
Shorts and blue business shirt or summer dress**

Clean leather shoes with grey socks

Long hair must be tied back

Boys must be clean shaven

***NB. If students do not comply with these conditions their
photograph may not be taken.***

***Envelopes will be distributed to students in the next few days
Students should return their envelopes on photo day
directly to the photographer***

FROM YOUR HOUSE LEADER

Week 1 took the new Year 12 cohort on their retreat to Cave Hill Creek. Week 2 saw the two 2023 Year 7 groups off on their camp at Lorne. Feedback from students, parents, and staff has all been very positive. Fond memories were made and shared! Now Week 3 is upon us and is looking like another busy one.

This week:

Tuesday evening at 6:30pm, parents/guardians of Year 7 students and new students are invited to meet the TA teacher and attend a cyber safety session. Our 2023 opening Mass will be held on Thursday at 10am. On Friday, Barron defends our reign as long-standing swimming carnival winners! The swimming carnival will be held at the Ararat outdoor pool. This is a fun-filled and enjoyable school event; all students are expected to attend. There is some amazing swimming talent at our school, which, coupled with high-levels of student participation, gives us reason to cheer in support of all of our swimmers. **Wear your house colours (RED is best!), and don't forget your SUNSCREEN and HAT!!** Family members are welcome to attend and watch their child/ren make waves.

Teachers are following up on early uniform infringements, such as sports shorts, socks, hats, and hair. Please get used to this. There are procedures in place for students with multiple infringements. Parent support is appreciated, as adherence to uniform policy is an expectation of enrollment.

Smile! School photos will take place on Wednesday, February 22nd. Your child/ren **MUST** be in the correct school uniform. Please refer to the student diary.

Have a lovely week,
Erica McConachy
Barron House Leader

CAREER NEWSLETTER

NEWS, RESOURCES, EVENTS

Tuesday 7 February 2023

Welcome to the new school year! No matter your pathway this year, we encourage you to read the career newsletter and emails, meet with careers staff throughout the year, engage in opportunities such as work experience, open days, and excursions, and be curious and excited about your post school pathways.

YEAR 12 STUDENTS

UNIVERSITY SCHOLARSHIPS

A scholarship is financial help awarded to students. They can provide different types of benefits, for example – a sum of money, subsidised accommodation, industry work experience, subsidised course fees etc.

The following are two scholarships for high achievers.

The University of Melbourne – The Hansen Scholarship

If you are planning to study at The University of Melbourne in 2024, you should consider applying for the Hansen Scholarship. Stage 1 applications are now open and close on Thursday 30 March. You must be able to prove financial disadvantage to be eligible.

<http://bit.ly/2TeHYgn>

Australia National University (ANU) – Tuckwell Scholarship

If you are planning to study at ANU in 2024, you should consider applying for the Tuckwell Scholarship. You are required to apply direct to ANU by 3 April for the courses you are interested in and by 13 April for the scholarship. Applications will open on 1 March, <https://tuckwell.anu.edu.au/>

EARLY ENTRY - UNIVERSITY

No doubt you've heard the term 'early entry' and you're keen to apply for programs. Early entry enables universities to look at factors other than just the ATAR when making course offers.

It's important to know the following:

Early entry programs are different at each university. There are different application methods, and different application dates. Each program takes different criteria into consideration. These could include:

- A soft skills statement
- Year 11 results
- A recommendation from your school
- A personal statement
- History of community service/leadership

Some early entry programs are designed to give applicants 'unconditional offers'. This usually means a course offer that is ATAR and study score free. Others have conditions such as meeting a guaranteed ATAR and meeting minimum study scores.

The following two early entry programs are now open. Applicants can receive an unconditional offer:

University of New England

Selection is based on a school recommendation
Apply by Friday 15 September
<https://bit.ly/3Hxaosl>

Charles Sturt University

Selection is based on Year 11 results and a soft skills assessment.
Apply by Friday 7 April
<https://bit.ly/2UmOlGT>

AUSTRALIAN DEFENCE FORCE

ADF Gap Year Program

Year 12 students will soon be able to apply for the ADF Gap Year program. Students will spend an exciting 12-months in the Navy, Army or Air Force, and get paid for meaningful work while travelling around Australia, gaining skills for life, and making lifelong friends.

To start the application process, you can book the YOU (Your Options Unlimited) session early. This is the first step in the recruitment process. For information and to book, visit <http://bit.ly/2Tyn8Yp>

For information, visit www.defencejobs.gov.au

GAP YEAR PROGRAMS

A gap year is commonly taken by Year 12 graduates who would like to delay the start of their university or TAFE course or apprenticeship/traineeship. The year provides a fantastic opportunity for graduates to participate in volunteering or overseas programs.

Year13 has put together a gap year guide of exciting ideas, <https://year13.com.au/articles/what-gap-year-guide> and weblinks for travel opportunities, <https://year13.com.au/explore/travel>

MEDICINE, DENTISTRY, ORAL HEALTH

If you are in Year 12 and plan to apply for medicine, dentistry and/or oral health to start in 2024, you may need to sit the UCAT ANZ (University Clinical Aptitude Test).

You will sit the test mid-year and selected universities use your UCAT ANZ results as part of the selection process, in conjunction with your ATAR and Year 12 results, and in some cases an interview.

You will only have one chance to sit the UCAT ANZ this year. It will cost you \$325 to sit the test, or \$199 concession, and you will be able to receive your results straight away.

Please go to www.ucat.edu.au for more information about the UCAT ANZ, to see if you have to sit the test, and to register for the test. Registrations open on Wednesday 1 March.

UCAT Preparation Sessions

You have the choice to start preparing for the test early. There are several private companies that offer commercial preparation programs such as:

NIE, www.nie.edu.au

Med Entry, www.medentry.edu.au

It's important to note that private companies are not endorsed by the universities that use the UCAT.

UCAT Mock Exam Day 2023

This is a free online UCAT trial exam that will be sat by thousands of students. You will receive your mock UCAT score and have a benchmark to work on improving for the exam later in the year. You can sit the exam any time on Sunday 26 February. Register for the test via www.ucatmasterclass.com/ucat-med

Medicine Information Session

Charles Sturt University offers undergraduate medicine at the Orange, NSW campus in partnership with Western Sydney University. An online information session for prospective students will be held on Wednesday 29 March. Book via <https://study.csu.edu.au/life/events>

YEAR 11 & 12 STUDENTS

MARINE SCIENCE WORK EXPERIENCE

Experience 6-days as a marine scientist with The University of Tasmania. Year 11 and 12 students are invited to apply for this incredible program that aims to introduce students to temperate marine biology.

24 students will spend a week at Maria Island and there are 14 scholarships available to cover flights, accommodation, meals, and transfers. For information and to register your interest, visit <http://bit.ly/3JGDVEd>

ALL STUDENTS

UNIVERSITY COURSE SEARCH TOOLS

Course Seeker

There are many university courses at various institutions across Australia. It can be a daunting task to research your options, but the Course Seeker website has been designed to make this an easy process for you.

It contains a national course comparison tool which enables students to search, select and compare higher education courses and filter search results by ATAR, study area and location, www.coursesseeker.edu.au

View course ATARs

If you would like view the ATAR profiles for university courses for each state, you can do this by using the course search functions on state based Tertiary Admission Centres.

Students will be able to view the lowest ATAR and lowest selection rank (ATAR inclusive of equity and academic bonus points) to receive an offer for the 2023 intake.

Course ATARs can be used as a guide when planning for post school studies. It's important to note that as selection ranks are based on the demand for a course, they may rise or fall for the 2024 intake.

Use the following websites to access up to date information.

Victoria
NSW & ACT
QLD
SA & NT
WA
Tasmania

www.vtac.edu.au
www.uac.edu.au
www.qtac.edu.au
www.satac.edu.au
www.tisc.edu.au
www.utas.edu.au

APPRENTICESHIPS/TRAINEESHIPS

Apprenticeships and traineeships are excellent post school options. They are the perfect option for students who enjoy hands-on learning, would like to gain amazing skills, and would like to have a qualification that is recognised anywhere in Australia.

Gap year traineeships are excellent for graduates who would like to gain industry skills and a qualification before starting university study and also for grads who aren't sure what pathway they would like to take in the future.

It's a great idea to get as much work experience as possible to increase your competitiveness for employment, work out the best industry for you, and to create networks and contacts. See your work experience coordinator for information.

Australian Apprenticeship Pathways have developed an excellent four-step guide to assist you to start planning - www.aapathways.com.au

Read through Step One and take the work type explorer quiz, download the AusAppPathways app to your phone, and complete practice aptitude quizzes to ascertain the level of literacy and numeracy skills you will need for different occupations.

Bookmark websites for industries you are interested in to keep up to date with changes to industry technology, skills shortages, and events. For example:

Bricklaying	http://bit.ly/2DYCwBA
Plumbing	http://bit.ly/2FK6wnP
ICT	https://bit.ly/2SaxPj2
Agriculture	https://bit.ly/36WWgDq
Community	https://bit.ly/2OoUQgS
Rail Careers	https://bit.ly/36Ruo65

START THE SCHOOL YEAR BY SETTING GOALS

The HopeFull Institute has developed a set of free worksheets for students covering a range of topics such as: digital detox, examining stress, goals (general and athletic), and gratitude.

To download the worksheets, visit www.thehopefullinstitute.com/free-worksheets

CAREER EVENTS

One of the best ways to develop ideas for occupations and courses is to participate in career events.

Check the Career Newsletter for upcoming events and join social media accounts for any higher education provider or training institute you are currently interested in to ensure you are up to date with events.

The following are two events you may be interested in.

La Trobe University

Year 10 - 12 students are invited to participate in the La Trobe University Experience Day at the Albury-Wodonga campus. Students will explore two study areas through one-hour workshops.

Friday 24 February
www.latrobe.edu.au/events

Charles Sturt University

Year 10 - 12 students are invited to participate in the Charles Sturt University Explore Day at the campus of their choice. Students will explore two study areas through one-hour workshops.

Albury-Wodonga, Tuesday 7 March
Wagga Wagga, Tuesday 21 March
<https://study.csu.edu.au/life/events>

CAREER PLANNING AND JOB SEEKER PROGRAM

The team at My Career Match have developed a free program for high school students that is broken into five key categories:

- Career planning
- Promoting yourself
- Getting a job
- Personal development
- Mind, body & soul

Students can choose which categories and lessons they would like to work through.
www.blastoff.mycareermatch.com.au

INSPIRATIONAL VIDEOS!

What better way to start the year than dreaming about your future and possible careers you may be interested in?

Australia National University has developed a large collection of over 90 videos that cover a range of topics from astronomy/astrophysics, physics and mathematics to science communication, environment and sustainability, to health, medicine, psychology, to earth and marine sciences and much more!

Health related videos:
<https://health.anu.edu.au/open-day>

Science related videos:

Employment

If you are keen to find a casual job, now is the perfect time to start looking for employment opportunities. The following are resources to get you started.

Excellent job seeking resources

For job seeking tips, and resume/cover letter templates, check out the resources at Youth Central- www.youthcentral.vic.gov.au

Rights and responsibilities

Know your rights and responsibilities when starting a new job, www.fairwork.gov.au

Tax File Number (TFN)

If you don't have a TFN, you will need to apply for one via the Australian Tax Office - www.ato.gov.au/Individuals/Tax-file-number/

Learn about safety in the workplace

It's very important to understand safety in the workplace. Learn how to stay safe at work - www.worksafe.vic.gov.au/young-workers

INTERESTED IN A CAREER WITH THE VICTORIA POLICE?

VICTORIA POLICE

Victoria Police has four different roles available for students who might be interested in pursuing a career in policing.

- Police Officer
- Protective Services Officer
- Police Custody Officer
- Victorian Public Servant

For a brief overview of each role and to watch recruitment videos, visit - <https://bit.ly/2N5vhUu>

Experience and attributes the Force is looking for

Not every 18-year-old will be ready to apply but those who are gathering life experience whilst they are in high school will be more competitive throughout the recruitment process. For example:

Employment in a customer service role

Provides exposure to people of all works of life and develops communication, teamwork and conflict resolution skills. For example, working at McDonalds one day a week.

Volunteer experience

Develops a sense of community-mindedness and communication skills. For example, working at the local surf lifesaving club or community centre.

Sporting club experience

Develops teamwork, communication and leadership skills, not to mention the healthy level of fitness that is a requirement of the role.

Overseas travel

Provides exposure to other cultures, religions and languages and fosters a sense of independence and assertiveness.

For information on eligibility criteria and the recruitment process, visit the Victoria Police careers website, www.police.vic.gov.au/careers

Information sessions
