## Acknowledgement of Country

I begin this evening by acknowledging the Djab Wurrung people, Traditional Custodians of the land on which we meet tonight, and pay my respects to their Elders past and present. I extend that respect to Aboriginal and Torres Strait Islander peoples here today.

# Prayer: St Brigid

St Brigid Mary of Ireland,

Ask for us all today.

The Courage to do God's bidding, whatever the world may say.

The Grace to be strong and valiant.

The Grace to be firm and true.

The Grace to be faithful always,

To God, His Mother and You.

# Introduction

For the past twelve months the school has operated on a 5 (one hour period) day.

We have increased the amount of face to face time across key learning areas from Years 7-12.

The school has focused on improved literacy and numeracy, not only in Math and English but all subject areas.

We have also altered programs to allow term based subjects to have more time weekly for students to engage in deeper learning.

YEAR 12	VCE	5 Subjects	Plus Religion	Nb. If student has completed a Unit 3&4 subject in Yr 11 then 4 subjects and a study line in Yr 12. Nb. Individual negotiations based on individual circumstances may allow a student who has not completed a Unit 3&4 in Yr 11 to only complete 4 in Yr 12.

# 2023 VCE Options and Pathways

# VCE & the VCE Vocational Major (previously VCAL)

The Victorian Certificate of Education (VCE) is Victoria's senior secondary qualification. It opens pathways to university, higher-level TAFE or VET certificate courses, apprenticeships, traineeships and the workforce.

The VCE has expanded to include the Vocational Major, a new **2-year** vocational and applied learning program. It has replaced Senior and Intermediate VCAL.

# VCE Vocational Major (replacing VCAL for Year 11)

To be eligible to receive the VCE VM, students must satisfactorily complete a minimum of 16 units over two years including:

- 3 VCE VM Literacy or VCE English units (including a Unit 3–4 sequence)
- 2 VCE VM Numeracy or VCE Mathematics units
- 2 VCE VM Work Related Skills units
- 2 VCE VM Personal Development Skills units, and
- 2 VET credits at Certificate II level or above (180 nominal hours) School Based Apprenticeships and Traineeships can replace VET requirements

[VM – Video https://vimeo.com/726575129/ada6bb28cf](https://vimeo.com/726575129/ada6bb28cf)

## VCE Vocational Major (replacing VCAL for Year 11)

VM is designed for students who don't plan to go to university after secondary school, instead preparing them for an alternative pathway such as an apprenticeship, Vocational Education and Training (VET) or full-time employment.

One of the main benefits of the VM is its emphasis on practical work-related skills, with two of the four strands focusing on providing practical work and industry experience.

Students are able to focus on a specific industry by completing a VET qualification, or complete units from a range of vocational areas. Students can also choose to undertake a structured work placement, an apprenticeship or traineeship, or part-time work.

# Vocational Education Training in Schools (VCE VET)

What is VETiS?

Vocational Education and Training in Schools (VETiS) is a program that enables students to gain nationally recognised qualifications while at school. Students learn skills and knowledge required for specific industries.

This then improves future employability.

# Vocational Education Training (VCE VET)

VET is a key element of the VCE, and compulsory for students studying VCE Vocational Major.

Students must choose their VET carefully as they will need to remain in their VET for the two years of VCE VM.

Many VCE VET programs offer a scored option for gaining an ATAR score.

## Vocational Education Training (VCE VET)

At Marian, we attempt to offer as many VET subjects as possible at school or within our local School cluster with Ararat College and Stawell Secondary.

Other VET programs can be chosen from the Ballarat/Horsham VET cluster, however they will require a pre-organised payment plan with extra fees/costs (this can be up to \$2500 depending on the course) and independent transport to and from the course.

Sandlants bus drops Stawell students directly to Ararat College.

Ararat students catch Sandlants bus at school and travel to Stawell at a small cost.

# VCE

## Year 11

Students choose 5 VCE or VET subjects at Units 1&2, plus Religion. One of these 5 must be either English or Literature.

The option of studying a Unit 3&4 is available. Not only to those students who studied a Unit 1&2 in Year 10

# Making choices...

Read this slideshow (also available on the school website)

Read the relevant handbooks (also available on the school website)

Talk to subject teachers, faculty head, TA teacher, students who may have been studying this subject this year.

Choosing subjects that you like and are good at / interested in, is far better than choosing because your friend likes it.

# Subject Selection via Web Preferences

All students in Years 8-11 have received an email that explains how they log into web preferences to complete their subject selections.

If it is **NOT** in your inbox please check SPAM

They will have five opportunities to make their choices.

Web Preferences will close on Friday Aug 4.

# Where can I get this information
